However, a majority of the Management Committee members shall have the power and authority to appoint a member to complete the term of a Committee member who has resigned, forfeited his seat or is otherwise unable to fill out the term. sewer facilities upon request of the declarant or the applicable service districts.

15. **Planning and Environmental Control Committee.**

"The Committee". For the purpose of insuring Buttercup Estates to be an area of high standards, the committee reserves the power to control the building, structures and other improvements placed on each lot as well as to make such exceptions to these reservations and restrictions as it shall deem necessary and proper. No permanent building shall be placed on such easement, but the same may be used for garden, shrubs, landscaping and other purposes, provided that such use does not interfere with the use of such easements for their intended purposes. In instances where an owner of two or more adjoining lots places a dwelling which will cross over or through a common lot line, the same shall not be subject to the aforementioned three foot easement along or upon the contiguous or common lot line, except where utility lines or mains have been platted or installed.

2). Each lot shall further be subject to an easement for the maintenance and permanent stabilization control of slopes.

c. Whenever two or more contiguous lots in the development shall be owned by the same person, and such person shall desire to use two or more of said lots as a site for a single family manufactured home or a constructed dwelling, he shall apply in writing to The Committee and Garden City for permission to use said lots. If written permission of such a use were granted, the lots constituting the site for such shall be treated as a single lot for the purposes of applying these restrictions to said lots, as long as the lots remain so improved. d. The lots in Buttercup Estates shall be burdened by such additional easements as may be shown on the recorded plats.

19. Ownership, Use and Enjoyment of Common Areas.

a. b. No delay or failure on the part of an aggrieved party to invoke an available remedy in respect to a violation of any of these restrictions shall be held to be a waiver by that party of (or an estoppel of that party to assert) any right available to him upon the recurrence or continuation of said violation or the occurrence of a different violation.

b. Each such grantee also agrees, by such acceptance, to assume, as against the association, all the risks and hazards of ownership or occupancy attendant to such lot.

22. **Severability.** Every one of the restrictions is hereby declared to be independent of, and severable from, each of, the rest of, or any combination of the restrictions.
